Legislative Assembly question regarding selection of District and Sessions Judge and Munsiff Magistrate in Civil and Military Station, Bangalore.

- - - -

Reference your express letter No.D.519-E/36, dated 13th February 1936.

2. The information asked for is furnished below.-

(a) The post of District and Sessions Judge, Civil and Military Station, was included in the Madras Provincial Civil Service from 1921 to 1926. Since 1926, the post has been treated as a localised one. Selection for the post however continued to be made from Madras Provincial Service up to 1933, when the present incumbent of the post, who was then the Subordinate Judge of Coorg, was appointed for a period of five years: vide Sir Richard Burke's Confidential letter No.C.623/83-1932 dated 28th November 1932 and Foreign and Political Department letter No.D.450-E/33, dated 24th February 1933.

(b) The post of the District Munsiff in the Civil and Military Station was first created in 1920 and it was included in the cadre of District Munsiffs in the Madras Presidency in 1923. (In 1926 the District Munsiff was invested with magisterial powers and the officer designated as Munsiff-Magistrate). The post continued to be held by a District Munsiff from Madras till the beginning of 1933 when the services of a Deputy Collector instead of a District Munsiff were obtained from Madras: Vide Sir Richard Burke's confidential letter No.C/569/799-1926 dated 31st October 1932 and Foreign and Political Department Confidential memorandum No.D.4697-E/32 dated 24th November 1932.

(c) Two law graduates entered the clerical service in the District Court - one in 1919 and the other in 1923. Both of them have been applicants for District Munsiff's posts in the Madras Presidency. When the ~~former~~ ^{first} candidate joined service the post of the District Munsiff did not exist and that of the District Judge was not borne in the Madras cadre. When the ~~latter~~ ^{second} entered service only the post of the District Judge was borne in the Madras cadre. This Residency is not aware whether the ~~latter~~ ^{latter} entered service in the hope of selection to Madras Judicial service.

(d) The position has been explained

in

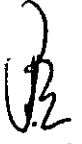

in paragraphs (a) and (b) above. In the case of the Munsiff-Magistrate, the intention is to select a Deputy Collector instead of a District Munsiff from Madras. In the case of the District & Sessions Judge, the question whether or not an officer from Madras Judicial Service should be selected will be considered when the post next falls vacant.
